FARMHOUSE CONCEPTS

ARCHITECTURAL VISUALISATION

Contemporary elevation

A modern form with a pitched roof, generous glazing, a defined entrance and landscaped frontage.

ARCHITECTURAL VISUALISATION

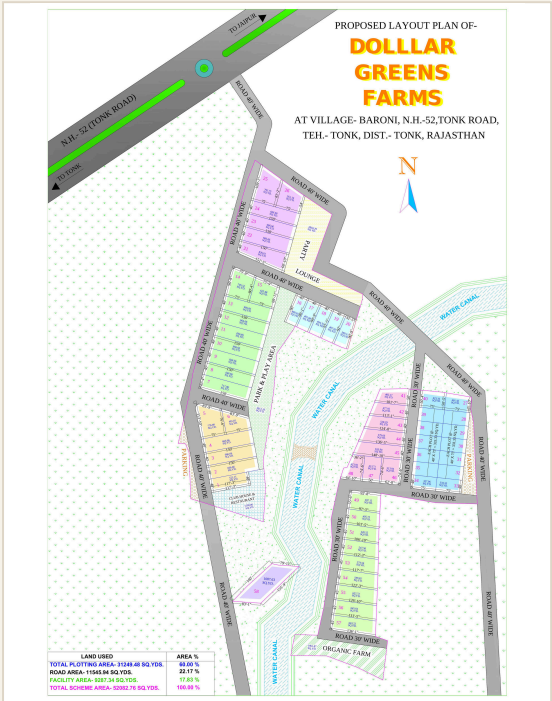

Classic elevation

A more traditional composition with layered rooflines, stone accents and an outdoor arrival space.

Every property choice should be based on the current written specification, availability and the documents provided by the company.

Explore the plans.

Understand the space.

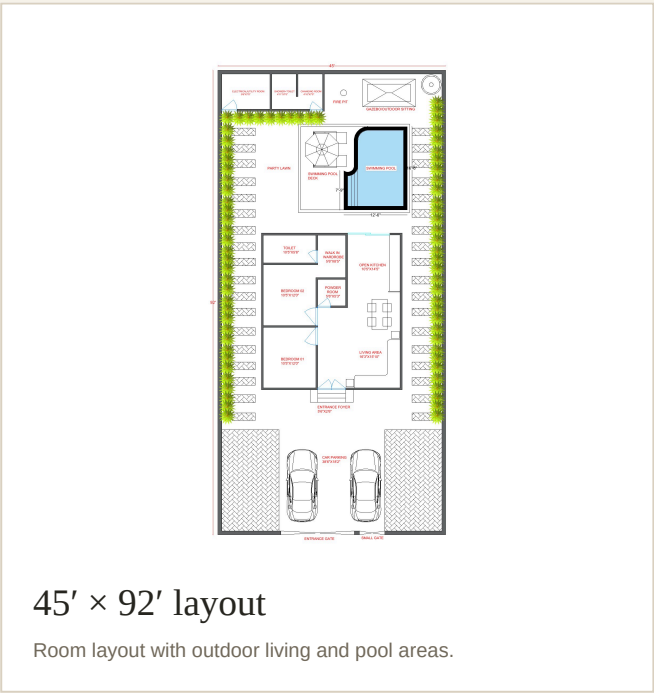

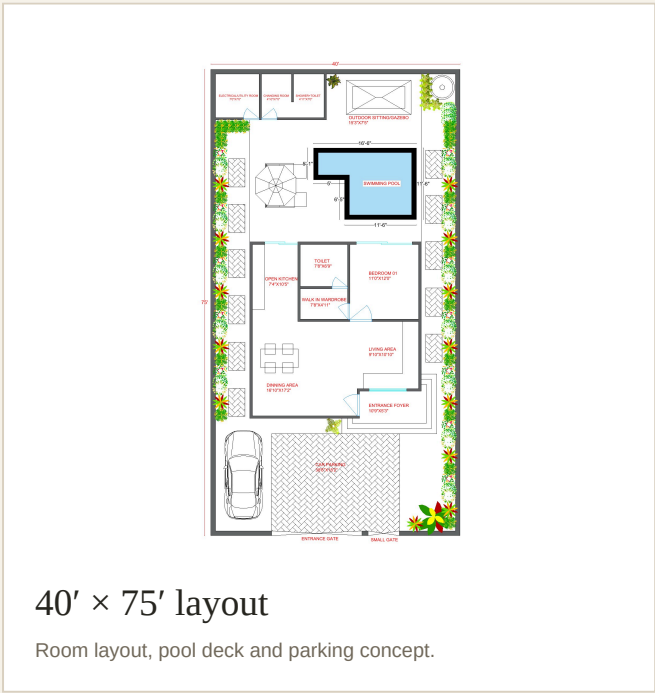

PROPOSED ESTATE LAYOUT

See how the development is planned.

The estate plan provides an overview of plotted areas, internal roads and designated facility spaces. Ask for the latest revision and current availability from the sales team.

- Estate layout
- Internal roads
- Planned facilities

INDIVIDUAL FARMHOUSE DRAWINGS

- Pool concept
- Outdoor sitting
- Landscaped access
- Parking
